Information for the National Convention in New Orleans in July is now available online: vfwauxiliary.org

I believe we will have a nice delegation representing South Dakota. Please come join us.

This is the last formal General Orders for the year, but I will still be in contact mostly via email as we still have much work to do, especially MEMBERSHIP.

I wish to express my sincere thanks to everyone for all your support and encouragement this past year. As I’ve said often, it has been a whirlwind of a year, and a great challenge, but an experience that I will treasure forever.

By Order Of:
Karen Sharp
SD VFW Auxiliary President

Attest:
Nancy Chester
SD VFW Auxiliary Secretary
Here we are in our fourth and final quarter for the Auxiliary year. It is amazing at what we have accomplished as a team, but there is still much to be done.

**MEMBERSHIP** – As of March 31, we are at 95.20% with 5,783 paid members. The SD VFW is at 95.48% with 8,799 paid members. This is great, and I appreciate all your hard work, but we still need 292 paid members by June 30 to be 100% PLUS, which I know we can do. For every VFW member, the Auxiliary has a potential of 11 Auxiliary family members to recruit. Retain and Recruit – membership is our most important program. Without our membership, we cannot successfully serve our veterans. This is our purpose. We can do this as a team. Dues should be submitted to Treasurer Carol by June 20th to allow her time to submit the dues to National before our State Convention. If anyone has any suggestions as to how we can reach our goal of 100% PLUS, please share. This is a TEAM effort. We have not had 100% in South Dakota for almost ten years. NOW IS THE TIME!

The District meeting schedule is in the General Orders. With the new redistricting, I strongly urge every Auxiliary to have at least one member at the District meeting. Auxiliaries joining a new District, please participate, and to the existing members of the District, I know you will extend a welcoming hand to the new members. The attending Department Officers will be at in attendance to help you through this most important meeting and offer suggestions for the new year.

Hospital volunteers – submit your volunteer hours to your VAVS Representative so that the VAVS Representative can get the hours to Leanne Payne. We want to make sure that everyone is recognized for his/her hard work that you do.

Please pay attention to the many deadlines that we have in the next two months. These deadlines are important so that everyone will be able to get the necessary reports and judging done on all levels. When submitting your reports, do not be afraid to BLOW YOUR OWN HORN. No one knows better than you all that you have done.

As I stated in the General Orders, we still have not heard from anyone with regard to the open position of Department Guard. Yes, it is a big commitment, but a most rewarding experience, and an adventure that you will never regret having taken. Please, please consider making this commitment. NOW IS THE TIME!

Commander Dennis has been dealing with some new health issues since the Legislative Conference. It made for some challenges while we were on the cruise and in Washington, DC, but with the help of so many VFW and Auxiliary members we conquered. Now, we are awaiting word for more doctor appointments, so that hopefully, we can get at least some of the issues resolved before the State and National Conventions. We both thank you all for your understanding. Our VFW and Auxiliary family is so very, very important and dear to us. We cannot begin to express our gratitude.

Karen
Wow the year has gone fast and it has been a great year! I hope all Auxiliaries have their year-end reports finished and sent to the proper department program chairmen. Even if you have nothing to report on in certain programs, it is still very important that you turn in all reports so our Department can have 100% reporting to National. If you are experiencing problems or have question please do not hesitate to contact the program chairmen or myself at anytime. I am best reached at my cell number, 605-517-0287, but I am getting a little better at emailing. My auxiliary usually has a tradition of picking one night that we all get together, we bring pot luck foods and work on the reports as a group and mail them all out the next morning. From this experience, I have learned that Mary Gonsor makes the best stuffed mushrooms ever. I am not sure how likely she is to travel, but you could sure plan your own auxiliary report planning night and see if she would bring them for potluck.

As you all know, saving money and conserving resources are important to all of us. Over the years, most of us have received binders, folders and other reusable items that are now filling our offices, closets and garages. We also have door knobs full of name badge holders from numerous conventions and conferences. Please consider recycling some of those items by bringing them to our Department Convention in Pierre this June. This would allow Department a great way to recycle, reuse and save a little money.

Along those same lines, our Ways & Means program will be experiencing some changes for the upcoming year. Anyone interested in serving on a Ways & Means committee, please contact me or plan to attend a brief committee meeting to be held following ritual practice in Gallery B & C on June 22nd at Convention. Bring your fundraising and money saving ideas with you.

Loyalty Day is coming up soon (May 1st). Make sure you do something to help to show your loyalty to our country as a group or on your own. Consider holding a brief program explaining Loyalty Day in your areas schools or have a small table at your local grocery stores or mall to hand out Loyalty Day information. Remember, the more often we as Auxiliary members are seen in public, the more often the public is likely to remember and support our veterans. If your Post holds or sponsors Memorial Day programs, please ask to be included and assist the Post with anything they might need. This is also a great time for Buddy Poppy distributions.

If your Auxiliary hasn’t already discussed or donated to Department President Karen’s special project, you still have time to do so. Need a quick and easy idea to earn funds? How about doing a no-bake Bake sale? There so many unique ways to try and raise money for this worthwhile project.

If you are one of the wonderful people that have agreed to be a committee chairman for my year, please bring your first set of General Orders and turn them in to me at Convention in Pierre.

As this year is approaching its end, I hope that your Auxiliaries are doing everything within their capabilities to serve our veterans. Although, I am sure we will be just as busy next year promoting veteran’s issues and it will fly by just as quickly, I am excited to start “Accentuating the Positive” within our membership and get our year off to a great start.

Respectfully Submitted,

Carrie Alm – Department Senior Vice President
National Certified Recruiter Trainer Update – April, 2017

The Veterans of Foreign Wars of the United States (VFW) Auxiliary is excited to announce that it has achieved more than 100 percent in membership for the second consecutive year. But South Dakota needs to keep pushing as we have not reached that wonderful number yet!

Remember that everyone is a recruiter! Here are some tips (from Brian Sullivan, National Headquarters Membership Development Coordinator) on obtaining the necessary materials for a successful recruiting event.

Making sure that you have the necessary materials on hand will ensure that you are taking advantage of every member recruiting opportunity that arises.

There are a number of recruitment tools that you can order – for free – from VFW Auxiliary National Headquarters. These include the VFW Auxiliary Membership Brochure (includes membership application) and the VFW Auxiliary Facts Leaflet.

Here are a few things to remember when you are preparing for an upcoming membership event and need to order recruiting supplies from VFW Auxiliary National Headquarters:

1. Order your materials at least two (2) weeks in advance of your recruiting event. It can take 7-10 business days for an order to arrive after it is received and processed at VFW Auxiliary National Headquarters.

2. To order your free membership recruitment materials, please fill out the VFW Auxiliary Order Form that is available at behind Member Login under "Program & Publicity Resources," "Publicity Tools & Press Releases," and e-mail the form to VFW Auxiliary National Headquarters at info@vfwauxiliary.org.

3. Be sure to order an appropriate amount for your recruiting event. Be prepared for every recruiting opportunity, but don’t over-order. For example, if you recruit 25-50 members a year, do not order 150 brochures/applications as information on these materials may change over time. You may find yourself with outdated supplies.

AND, as the school year comes to a close – don’t forget to inform students and parents of our Scholarship program. Voice of Democracy and Patriot’s Pen themes for 2017-18 have been released.

Voice of Democracy 2017-18 theme: American History: Our Hope for the Future

Patriot’s Pen 2017-18 theme: America’s Gift to My Generation

The entry forms and rules can be found on the VFW Auxiliary website – www.vfwauxiliary.org; then click on the heading Scholarships and then click on Patriot’s Pen for the link to get the necessary forms.

Dear Karen,

**NOTICE: Please read this memo and share it with your members!**

Due to the transition from our current dues system to our new system, MALTA, National Headquarters needs to set deadlines for the following:

**New Auxiliaries:** For any new Auxiliary currently in process, it MUST be Instituted and completed Report of Institution and Report of Installation received at Auxiliary Headquarters by **May 31, 2017**. If these actions are not complete by that day, the process will be completed in August 2017.

**Cancelling Auxiliaries:** If a Department President wants to cancel an Auxiliary, it MUST be completed by **May 31, 2017**. If that action is not completed by that day, the process will be completed in August 2017.

Any orders received from the VFW for consolidations or cancellations will be completed by National Headquarters when received.

=================================================

**Installation Reports:**
Also due to the transition to MALTA and the ability for continuous annual members to pay their dues online, Auxiliaries MUST properly fill out their Installation reports the following way:
On the line where it asks for the dues amount, **insert the TOTAL AMOUNT charged one continuous annual member for one year**. This is the amount that will be shown online for a member to pay. (We understand this may include things like Health & Happiness and Cancer Care Plus payments.)

**The amount shown for the dues minus National dues and Department dues is what the Auxiliary will receive.** Any shortage in this amount is **COMPLETELY** the responsibility of the Auxiliary and must be collected by the Auxiliary's Treasurer.

For example, if $25 is inputted for Auxiliary 1234 and a member pays online, National Headquarters will keep $5, send Department X $5 and send the remainder of $15 to the Auxiliary.

---

**This Warrant is an official document to be detached and retained by the VFW Auxiliary President.**

**VETERANS OF FOREIGN WARS OF THE UNITED STATES AUXILIARY**

**REPORT OF INSTALLATION**

Input online immediately per instructions from the Department Secretary/National Secretary-Treasurer.

OR send immediately to the Secretary, Department of __________________________ (Department)

(First and Last Name) __________________________ (Email Address) __________________________

or mail to

________________________ (Street Address/PO Box) __________________________ (City) __________________________ (State) __________________________ (Zip)

VPW Auxiliary Name __________________________ to Post No. __________________________ District __________________________

Meeting Place __________________________ Day of Week __________________________ Time (am/pm) __________________________

Date of Installation __________________________ / __________________________ / __________________________ (Month/date/year)

Continuous Annual Dues $ __________________________

President __________________________ Mem. ID No. __________________________ Email __________________________

Address __________________________ First and Last Name __________________________

Phone __________________________

**Departments**, you must also put the TOTAL AMOUNT charged by the Department for a continuous annual member. For Department Members at Large, insert the TOTAL AMOUNT charged for one continuous annual member.

For example, if a Department enters $5 and a member pays $25 online (per the Auxiliary's Installation Report), then National keeps $5, the Department receives $5 and the remainder goes to the Auxiliary. In the case of a Department Member at Large, National will keep $10 of the amount entered by the Department and the remainder will go to the Department.
Loyally,

Way & Means General Order

It's time of year we are cleaning out our piles. Throw this - Save this and oh! this could be used for the Way & Means. We really need things for the table so anything someone might use as gifts for shut-in. I'm adding from my piles glad it is winter last few days in mid Feb to warm. Crafters come up with idea - I'm doing Dish Cloth - Scrubber - Sealing hope I have more cold winter to get more done. Love it.

See ya! in June

VETERANS AND FAMILY SUPPORT PROGRAM 2016-2017

UNWAVERING SUPPORT FOR UNCOMMON HEROES

Tomorrow is Today – Now is the Time – Family-Support, Serve, Honor & Respect

Bulletin # 8 April 2017

April 13th is Purple Up Day! Show your support of your military kid by wearing purple all day. I would like to see all Auxiliary members in PURPLE Thursday April 13th – Please

Remember: Each and every one of us has the ability to make a difference in the life of a Veteran or his/her family. Every day – Ask yourself this question? What have I done to assist our Veterans and their families today?

Soldiers still need care packages, cards and coupons. As a family you can work to collect and/or donate some of these items, as well as write cards and letters to be sent to our troops overseas.

What is Family Assistance? Family Assistance provides a focal point of information through Six Essential Services. Family Assistance Centers are critical in providing help to all military families. This holds especially true for geographically dispersed families who are unable to access services at a local base, installation, or fort. In other words, Family Assistance personnel are the “Easy Button” for assistance and referral for families.

How can members best support the VFW Post with this program? Remember that our communities can be involved in almost every aspect of our VFW and Auxiliary Program.
- Promote Buddy Poppies
- Assist with National Veterans Service and National Military Services
- Participate in Hospital volunteering
- Participate in and receive VFW programs.

Ask your local groups to help: ROTC and Sea Cadet groups can post colors; Scouting groups can conduct flag awareness programs; young people can assist veterans with Buddy Poppy drives and promotions; they can assist with patriotic holiday activities such as placing flags on gravesites or singing to or reading to veterans in nursing homes or hospitals. We have available to us an endless resource of energy and activity. We have only to ask the youth of our community to get involved and we will reap the benefits.

Promotes VFW’s Veterans & Military Support Programs: The VFW’s Veteran & Military Support Programs serve active-duty and recently discharged members of the military

Buddy Poppy: Money received from the donations goes directly into the Relief Fund to assist veterans and their families. Write an article for your local newspaper to highlight this program. Think about using poppies for every season of the year in your decorations, contests, and promotions.
Turn in your volunteer hours so your auxiliary gets the credit for VETERANS AND FAMILY SUPPORT.

As you know we had our Day County Coyote Hunt in February, 2017. It was great year for our Veterans and soldiers. We raised our goal this year. Thanks for all your hard work in making this happen. The 2017 Day County coyote hunt was a great success. The hunt began on Friday evening with the registration, great food, and the opening meeting. There were 23 teams registered and 20 teams participated. The weather was not always cooperative for the hunters, but everyone had a great time and stories to tell. At 1 PM on Sunday, hunters began to roll in, with anywhere from one to four coyotes, and some additional critters. Some teams were skunked, but they are all looking forward to next year. Once the weigh-ins and measurements were completed, the hunters took time to have some lunch and win some door prizes donated by local businesses, and VFW posts and Auxiliaries from across the state. The units we are helping are 153rd Huron, 153rd Parkston, 200th Pierre and the 196th from Sioux Falls and Rapid City Unit.

I received this via email from Deb Dodson, SD National Guard 155th Family Support chairman:

“Patti, Hope this finds all well in your world with another wonderful coyote hunt under your belt! I wanted to reach out and share once again thanks and appreciation for your support of the SD Ntl Guard 155 FRG. Your support was a contributing factor in our recent recognition (file attached) as the Superior FRG for Army National Guard for 2016. Thank you again! Deb”

I also received this email and wanted to share it with all of you.

“This is to say that Patti Mitchell, South Dakota VFW Auxiliary Veterans & Family Support Chairman, ROCKS!!! I just received this message from Deb Dodson, SD National Guard 155th Family Support chairman: "Nancy, a quick note of thanks and appreciation/ We have received information that the SD National Guard 155th Family Readiness Group was awarded the Army NG Superior Family Readiness Group award for 2016! We will be attending award ceremony at the Pentagon next month. Your (VFW Auxiliary) support was a direct contributor to this recognition as we would not have been able to support our families as we did without your assistance...thank you! Deb. "The assistance provided was, in large part, the contribution made from the Day County Coyote Hunt facilitated by Patti Mitchell. You ROCK as does your support of South Dakota's soldiers and their families! Your hard work does not go unnoticed. Nancy Worth.”

Thank - you each and every one who had called or sent cards. When my brother Pat passed away March 1, 2017 in Sioux Falls.

Wow! I can’t believe this is the last General Orders for this year. Where has the time gone! We have lots of things going on these next few months.

Loyalty Day is May 1st—I hope that you are hosting a Loyalty Day Banquet in your community. What a great way to get out and promote our program. You can have a short program on the White Table or the History of the Buddy Poppy. Invite the many volunteers in your community such as Firefighters, EMT’s and Law Enforcement and honor them for the many hours they give to the communities. Include your volunteer youth organizations in your programs.

Memorial Day is just around the corner as well—Start making plans for your Memorial Day Program in your community. Get out and promote the program and encourage everyone to attend. The program is a very important part of Memorial Day. So many people think of Memorial Day as a three day weekend and forget the true meaning of the holiday. Encourage members of the community to attend your program and ceremony at the Cemeteries. The weekend is a busy weekend for all VFW members and Veterans with the placing of the American flags and Auxiliary flags on the graves and preparing for the program. The most amazing thing to see is all the American flags flying ever so proudly at the cemeteries and around your community. Remember to honor all Veterans this Memorial Day with those who have served and who are currently serving and those who have given the ultimate sacrifice for this great nation.

I have received several year-end reports so far. Keep up the good work and get the reports in before April 15th. I look forward to reviewing all the reports and finding out what the Auxiliaries are doing in their communities. I hope to pass along some of the ideas to the other Auxiliaries. I look forward to seeing everyone at the State Convention in June in Pierre and meeting everyone at the awards ceremony.

In closing I want to thank President Karen for asking me to be the Americanism Chairmen this year. It has been a learning experience and my passion for our great organization has grown during the year. I have made so many great friends and learned so much this past year. Thank you everyone for the hard work you do for the Auxiliary. We all have one thing in common and it is supporting our Veterans.

I look forward to what the next year has in store for us.

Oh, how the year has flown by! This last bulletin has snuck right up as the year is coming to an end. It just doesn't seem possible that the convention is right around the corner. There really isn't a lot to say as everyone is winding down for the year. Just don't forget to send in your end of the year report. The form was in the last General Orders. I have already received several reports, thank you to those that are on the ball and getting things done in a timely fashion. If you do not get your report in – you will be receiving a call from me as I will be putting things together for my final report.

My awards for this year are as follows:

#1 is to the Auxiliary with the best event that they sponsored for our Hospitalized Veterans.

#2 is for the best activity in a nursing home for Veterans.

#3 will go to the Auxiliary that best promoted Military Suicide Awareness.

Don't forget to get those reports in by April 15!!

President Karen and I along with a nice little group, did you hospital visits to the VA in Sioux Falls and the Human Services in Yankton. Again, what learning experiences we did have!! As usual, we learned many new things. Thank you to all who helped.

Don't forget to encourage your Auxiliaries to send cards, visits, or a call to the VA facilities, hospital, or nursing home. Talk to the activities director at your local facility and see if they have any ideas for you or maybe you can help them with a party that they already have planned. If your area is like ours, there are several shut-in Veteran's that would love a visit.

Events coming up are Loyalty Day (May 1), Armed Forces Day (May 21), Memorial Day (May 30), and Flag Day (June 14).

Just because this is my last report, don't forget that the Veteran's Facilities still have their needs list that never stops.

Don't forget that volunteering is number one!! Visit veterans, most importantly – SMILE!!

UNWAVERING SUPPORT FOR UNCOMMON HEROES

Tomorrow is Today – Now is the Time – Family-Support, Serve, Honor & Respect

We have accomplished so much but there is a lot more for us to do. Just because our Auxiliary year is drawing to a close, doesn't mean we quit. We are still the Party of the Veteran and, we still need to make sure that they get a fair shake from our Federal Government and our State Government! We need to stay united and keep working for the good of our Nation. We need to keep our eye on a great future and make sure that our Veterans do not slip through the cracks!!

Do not forget our 2017 PRIORITY GOALS which were listed in my last GO’s. There are many Bills before Congress that will affect our Military and our Veterans. Please keep abreast of them and let our South Dakota representatives know what you think!

As members of the VFW Auxiliary and a partner with the VFW, we need to stay current and up to date on how the VFW is working across America to improve the quality of life for veterans, service members and their families. Every day the VFW posts and publishes information daily on their Facebook page and issues alerts as needed. Every day the VFW is on Capitol Hill and out in our communities making sure your voice and our Veterans voices are heard. Lets be sure that our voices are heard!! We need to make sure our Veterans get what they need, they fought to keep us free and now we fight for them!!!

Keep working for our Veterans. I am sure I will see many of you at Convention in June at Pierre, please introduce yourself. **Don't forget to get your Year End Report to me by 15 April.** Thank you for all you do. God bless you and God bless America.

National Membership and Leadership, Leona McDermott, said if you were at the Mid-Year, you would have heard her challenge for us to be 100% plus on or before June 30th, 2017.

We still have three months of our Membership left and the great part is that every single Auxiliary is capable of attaining 100% plus Membership.

The goal of our Membership program is to grow the organization, and in order to do that we must not only recruit new members but retain the members we have. I am asking every Auxiliary to make personal contact with each of your unpaid members to ensure we do not lose these members.

Jan Endes, gave me this information, so will share it with you.

We are at 94.59 in paid Membership for 2017. We need 392 Members to pay their 2017 dues to make us 100% Plus.

The Third Quarterly Goal ends on April 30th, 2017, with the opportunity for our Department to earn $400.00. As you know we need 100% Plus in Membership on or before June 30th, 2017.

Remember it is that 100% Plus in Membership that plays the most important role for our Department President reaching the Circle of Excellence, plus our Department earning an additional $1000.00.

This is where each District stands: District 1 -- 90.69%; District 2 -- 92.54%; District 4 -- 97.10%; District 6 -- 94.54%; District 8 -- 100%, Congratulations; and District 10 -- 93.58%.

South Dakota is at 94.58%. We still have some work to do, as I said before make **personal contacts**.

Did you think about the impact you have when you involve the youth in your Auxiliary/Post?

**What are some resources that members should be aware of for your Program?**

4-H, Boy Scouts, Girl Scouts, school mentor programs, after school programs FFA, ROTC, place of worship youth groups. What do all of these have in common? YOUTH! Our youth are eager to partner with the VFW Auxiliary and VFW for betterment of our communities.

**How can you involve families through this program?**

Involvement of the ENTIRE family is the future of our organization. Let’s focus on all youth and the community as a whole. Many families welcome the opportunity to volunteer not only to improve their community but also to teach their kids the importance of giving back. All you have to do is ask!

**What is the #1 way to connect with your community through this program?**

Community Activity Fairs: Invite Veterans who are residents, residents at nursing homes, assisted living facilities, National Guard members, Family Readiness Group (FRG), Veterans Service Officers (VSO), elected officials, anyone and everyone. This not only connects us but is an invaluable opportunity to show who we are and what we offer.

**What are you most passionate about in this program?**

Today’s youth are the future of our nation! We should embrace the idea that we could have a direct impact on the life of a young person by demonstrating good citizenship and encouraging our youth to become responsible adults through serving our country, communities and Veterans.

Please remember to get your year-end reports (attached) in before April 15th. Also – Citations need to be to me so I can sign then get them to Headquarters before the 10th of April.
